WE ARE
CREATIVE MANUFACTURER
OF MODERN HOME **FURNITURE PRODUCTS**
WITH **CONTEMPORARY IDEAS**

Introduction

Smartwood furniture is one of the leading suppliers of high quality furniture in India. We are a pioneer in the industry offering the market greater choice, innovative and ergonomic designs as well as environmental friendly furniture. Since our inception, we have grown from strength to strength. From the very beginning, we have focused on our core principles of customer service, quality, value for money and innovation, these principles that have enabled us to gain the trust of the valued customers.

Smartwood furniture already have its presence in major retail furniture outlets all across the India. Today, we employ over 500 people, operating in various locations in New Delhi, Himachal and Haryana. For over a decade, the Smartwood Furniture's has been active in providing furniture that is flexible, dynamic and attuned with the global and technological

changes. We, continuously introduces new and high tech furniture to remain at the forefront of the industry.

On the manufacturing front, we have continued to invest in new technology and machinery to continue its popular pace with new designs and styles to suit client's needs. In particular, we have invested in advance machinery, technology to work with MDF® material as well as other woodworking machines. Having established itself as a market leader for home & office furniture, we are now developing additional lines that include Sofas, Recliner's, Dining Sets, Office Chair's and complete office range.

We at Smartwood, promise you to deliver the best quality products at best prices backed with 3 years of warranty and superior services.

VISION

We endeavour to supply Furniture that is all insightful, elegant and inspiring, while supplementing the need of our valued customer.

MISSION

To be the experts in the furniture industry and our partner customers can rely upon us for the quality product which suits their individual requirements.
